- 1) The Competition is open to all OM and YL with regular operator license;
- 2) The goal of competition is to make the highest QRB scores in one band in a round using only QRP RTX.
- 3) Scores will be calculated by summing the QRB of every QSO performed.
- 4) Each round shall consist of ten (10) minute duration, with a maximum initial period prerace of 3 minute to permit every competitor to organize his shack-radio (rtx, tuner, etc.etc). In case of delay will snap penalties (1 minute less every minute delayed).
- 5) The organization will provide a RTX FT817, Tuner, Vertical antenna (ten meter long with balun 4:1), power pack max 5 A, 13 Volt.
- 6) For those who want to use their own radio is possible but all preparations must be made in the 3 minutes pre-race. In case of delay will snap penalties (1 minute less every minute delayed).
- 7) ALL RTX will be inspected by Organization. In case of the input exceed the established 5 watt the Competitor will be disqualified.
- 8) The competitor must choose the band before starting the race and communicate it to the

judges. It is not possible to change bands. The bands permitted are the following: 80 m -

40m - 20m - 15m - 10m.

9) There are two different categories with distinct award: SSB and CW

10) To avoid that a different time of propagation are favorable to some and unfavorable to

others, the Organization will be a draw before the race. This will determine the order of the race.

11) After the draw, will be assigned a time to participate and every competitor will be in

position 15 minutes before his turn under penalty of exclusion from the race.

12) Every competitor during the course of the trial will be accompanied by one or two judges

who will validate each QSO.

13) Callsign, RS(T), Locator will be sent and received to confirm valid QSO.

14) The same station may be worked only once.

15) The registration form can be downloaded from the home page of TOP RADIO TEAM
